HIGH SCHOOLS EDUCATING MORE THAN A MILLION

More than a million and a quarter boys and girls will attend the American high schools, public and private, during the school year 1912-13, according to the estimate of Dr. P. P. Claxton, United States Commissioner of Education. Dr. Claxton has been assured by Mr. Alexander Summers, statistician of the bureau, who has made a special study of the matter, that the estimate is a conservative one. Of the number given 1,100,000 are estimated for the public schools, and 150,000 for the private secondary schools.

The American high school has grown phenomenally in the past dozen years, its development in the last two or three years being apparently greater than in the remarkable decade just preceding. Since the twentieth century opened the number of public high schools has almost doubled and the number of students is easily twice what it was at the beginning of the century. The most cheering feature of the whole matter for the American citizen is the grades into the high school. Formerly only a very few years ago, in fact, the high school was chiefly attended by children of the rich and moderately well-to-do. Today nearly one-fourth of the children who enter the elementary school eventually pass into the high school. The exact figure is 25 per cent, if negro children are included, and 22 per cent if whites only are considered. This is particularly significant, since certain critics of the public high school have, through a misunderstanding of the official reports, contended that a much smaller percentage than is here given had the opportunity of high school training. The fact remains that from 22 to 25 of every hundred children who enter the schools at all go on into the high school.

Almost equally significant for public education is the fact that by far the most rapid growth has been in the public high schools. The private secondary schools show a healthy increase—have actually doubled their attendance in the same period.

HAWAIIAN GOES INTO PHILIPPINE SUGAR

It is reported that D. S. K. Pahu, a Hawaiian who left here a year ago to take a position as stenographer in the executive bureau in Manila, is considering the organization of a company to enter the sugar industry in those islands. Having been familiar with the development of the sugar industry in Hawaii, he became impressed with the favorable conditions for the industry in the Philippines after his arrival. Then he made a special study of the matter in its tariff and other bearings, and the arrival of George H. Fairchild from Hawaii to take up sugar there confirmed Mr. Pahu's purpose to go into the industry.

It is reported that he has associated himself with a number of businessmen in Manila, and that they have acquired 2000 acres of land in fee simple, and intend to increase their holdings to 10,000 acres. Mr. Pahu is expected to come back here after completing two years' service with the government in Manila, and arrange here for the erection of a sugar mill for his company.

Even a married man may do as he pleases—as long as he pleases his wife.

THIS WOMAN'S TROUBLES GONE

Terrible Cramps, Dizzy Spells Nervousness, Misery—Her Story of How She Got Well Again.

Hindsboro, Ill.—"Your remedies have relieved me of all my troubles. I would have such bearing down misery and cramps and such weak, nervous, dizzy spells that I would have to go to bed. Some days I could hardly stay up long enough to get a meal.

"The doctor's medicine did me no good so I changed to Lydia E. Pinkham's Vegetable Compound and got good results from the first bottle. I kept on taking it and used the Sanative Wash with it, until I was well again. I think every woman who suffers as I have, could take no better medicine."—Mrs. CHARLES MATTISON, Box 58, Hindsboro, Ill.

Testimony of Trained Nurse.

Cathlamet, Wash.—"I am a nurse and when I do much lifting I have a female weakness, but I take Lydia E. Pinkham's Vegetable Compound and I cannot say enough in praise of it. I always recommend it for female troubles."—Mrs. ELVA BARBER EDWARDS, Box 54, Cathlamet, Wash.

The makers of Lydia E. Pinkham's Vegetable Compound have thousands of such letters as those above—they tell the truth, else they could not have been obtained for love or money. This medicine is no stranger—it has stood the test for years.

FEEL BULLY? TAKE CASCARETS TONIGHT

A 10 cent box will keep your liver, stomach and bowels clean, pure and fresh for months.

Sick headache, biliousness, dizziness, coated tongue, foul taste and foul breath—always trace them to torpid liver, delayed fermenting food in the bowels or sour, gassy stomach.

Poisonous matter clogged in the intestines, instead of being cast out of the system is re-absorbed into the blood. When this poison reaches the delicate brain tissue it causes congestion and that dull, throbbing, sickening headache.

Salts, cathartic pills, oil and purgative waters force a passageway for a day or two—yes—but they don't take the poisons out and have no effect upon the liver or stomach.

Cascarets immediately cleanse and regulate the stomach, remove the sour, undigested and fermenting food and foul gases, take the excess bile from the liver and carry out of the system all the constipated waste matter and poisons in the bowels.

A Cascaret tonight will surely straighten you out by morning. They work while you sleep—a 10-cent box from your druggist means your head clear, stomach sweet and your liver and bowels clean and regular for months.

CONGRATULATED THE BURGLAR.

"That's done it!" muttered the burglar, as his chin came in contact with a chair and overturned it. And he spoke the truth. It did do it. A sudden movement above, a hurried descent of stairs and Sikes found himself staring into a revolver.

"Now, then, hands up!" cried the householder. "What have you stolen?" "Only your wife's pet dog," replied the burglar.

"If that's all, you may sneak out quietly," said the householder. "But you've got something besides that, you rascal."

"Only your mother-in-law's parrot," "You don't say so! Here's some loose change for you. Anything else?" "Yes," said the burglar. "Your daughter's photograph."

"Good fellow!" exclaimed the householder. "Here's a sovereign for you." "And your son's punching bag," "My dear sir," exclaimed the householder, delightedly. "I only wish you could manage the grand piano, then I should have peace in my house at last! Still, of course, that can't be; but will you share a bottle of champagne with me before you go?"—The Bits.

A TRADE GRIEVANCE.

"Our advertising club has condemned the Wisconsin professor who says nose rubbing should take the place of kissing."

"And why, pray?" "For encouraging a 'just as good' substitute,"—Judge.
